PLAYA VIVA

RETREAT ROOM GUIDE

PHASE IV - 19 ROOMS

Playa Viva Rooms

Playa Viva provides an all-inclusive experience that combines simple elegance with natural luxury. We have several room types including our iconic treehouses. All rooms have an ocean view, some are more obstructed than others. The Dune Mantas are on the back row but have ocean views. The Private Casita has more of an obstructed view due to foliage growing up around it. The best ocean views are the New Jet, Mama Manta, Original Jet and Wing. The King and Queen EcoCasitas have great views when all doors are open. The Palapas are designed for more shade and thus less view. All rooms are outfitted with luxurious locally sourced organic sheets and towels, organic soap, shampoo, lotion and conditioner. All rooms have private bathrooms. Studios bathrooms are on the level below the bedroom. All new treehouse bathrooms are in a bathhouse in an adjoining building with a loft above them.
