

Fact Sheet

PLAYA VIVA

Overview

[Playa Viva](#) is a regenerative Boutique Hotel “where your vacation meets your values™” dedicated to a triple-bottom-line that works to improve planet, people and profits. Guests can enjoy nearly a mile of private beach and 200 acres of nature reserve with an all-inclusive experience immersed in pristine Mexican wilderness. The hotel is situated at the base of the Sierra Madre Mountains on the Pacific Coast of Mexico, forty minutes from Zihuatanejo-Ixtapa International Airport (ZIH). Attaining B-Corp Certification in 2023, Playa Viva is a world-leading example of experiential travel that offers an authentic, regenerative experience honoring what is unique and promoting the potential of this part of paradise in Mexico. With a focus on wellness, action, adventure and excursions that promote what is unique about this place, our commitment to restore and regenerate the landscape and local communities creates a truly innovative and welcoming hospitality experience for guests.

CORE VALUES

- Renew and improve water, energy, and waste streams
- Create meaningful communities

DESIGN

DESIGN FACTS

Regenerative design concepts fusing traditional local craftsmanship with cutting-edge regenerative construction methods, utilizing materials grown on site to create a series of bamboo structures which hug the coastline. Initial design by [Regenesis Group](#) including regenerative project management lead by Bill Reed and regenerative architect Ayrie Cunliff. Second phase treehouse room expansion led by Nomadic Resorts with Olav Bruin as lead architect.

Activities

Playa Viva has a combination of activities to fit a variety of ages, interests, and action/adventure levels. Our primary goal is to provide immersive experiences that are authentic and unique to our area.

OFF-SITE ACTIVITIES

- Fishing & Marine Biology Adventure with Johnny. Beyond just a fishing experience this day trip provides insight into the life of local fisherman and marine biology with opportunities to snorkel, spot marine life and sample freshly caught fish while out on the water.
- Visit a local chocolate and coffee grower in the Sierra Madre mountains. Share a homemade meal with the family. Experience the country life of rural Mexico.
- Snorkel and or scuba at a remote coral reef and witness magnificent aquatic life.
- Visit the local market and stroll along the waterfront to view the sites in Zihuatanejo. Visit the Eco Tianguis Sanka, where you can support local artisans and organic farmers.
- Experience a local indigenous purification ceremony in what is known as a Temazcal. Enter the handcrafted ceramic dome to sweat it out, set intentions, and connect with the earth and the fir
- Visit local surf spots appropriate for your skill level. Ride the waves that many travel from all over the world to experience.

ON-SITE ACTIVITIES

- Pool and beach-front
- Spa/Massage
- Yoga
- Hiking trails
- Gardening
- Spa/Massage
- Yoga
- Hiking trails

Regenerative

Attaining B-Corp Certification in 2023, Playa Viva is built on the highest standards of environmental & social impact:

- 100% off-grid solar
- Locally and sustainably harvested building materials
- Farm-to-table program with on site farm/garden providing 15-20% of our food stock and items such as milk, cheese, and eggs sourced from local small-scale farms
- Waste stream management with on-site composting
- Solar-thermal water heating
- Grey water system irrigates nearby gardens, blackwater processed with mini living systems
- Turtle sanctuary on site protecting endangered species
- Social and environmental impact officer supports guests engage in voluntourism projects in the local community
- Coastal forest and mangrove restoration and regeneration to maintain long-term biodiversity.

All-Inclusive

OUR PHILOSOPHY

Our all-inclusive philosophy is based on allowing guests to immerse themselves in the luxury of nature and engage with our community all while not having to worry about hidden extras such as water and snacks. We believe this philosophy is paramount to the hotel's sense of place and is why time after time guests tell us that Playa Viva feels like their own, unique home on the wild Pacific Coast.
