FACILITIES

Playa Viva offers several locations for yoga including: multiple ocean-front yoga platforms, a tower observatory, poolside stretch space, and Beachfront. The flexible yet extensive yoga platform can host groups both small and large (up to 60 mats with plenty of space). Yoga props are all Manduka, top quality and in great shape including lifetime mats, blocks, straps and Mexican yoga blankets. Additional equipment includes 20 “back jacks” (portable backrests), a wireless headsets, and a sound system that you can easily connect to to play your own music.

At the center of Playa Viva is the creation of “meaningful” community, which happens the Common Area, host to the Communal Dining Room, Saline Pool, Lounge Areas, Boutique and Beach Palapas.

MEALS AT PLAYA VIVA...

Can best be described as “healthy Mexican with an international flair.” We are constantly striving to increase the amount of food that we can call “Farm to Table” either from our local garden or from farmers, ranchers and fisherman in the local community. Special orders don’t upset us and we pride ourselves in catering to a variety of dietary requests including vegetarian, vegan, sugar free, gluten free, kosher, etc. We invite you into the kitchen to make food preparation part of your retreat.

ROOMS

While located on 200 acres, Playa Viva provides plenty of privacy with 19 rooms each spaced out to provide a beachfront view. Ten of the rooms can work perfectly well as quads (10 x 4 people = 40), four as Triples (4 x 3 people = 12) and six of the rooms serve well as either singles or doubles (6 x 2 people = 12) for a total of 64 people including the retreat leader. Some of the rooms can be outfitted with extra single beds so we can top out at 76 guests if necessary, but this would be very tight. All new treehouses (New Jet, Dune Manta, Mama Manta and Wing) have a perch that fits 1 King bed which can be separated into 2 Single Beds. They also have a Loft in the Bathhouse that has 2 Single beds (which can be joined to make a King bed). Lofts can fit 3 or 4 Single Beds but it definitely gets crowded at 4.

The 19 rooms are allocated across 11 room types:

- 1 Mama Manta Treehouse (can accommodate 4 comfortably, 6 tight in 1 King bed and up to 4 singles)
- 3 Dune Manta Treehouses (can accommodate 4 comfortably, 6 tight in 1 King bed and up to 4 singles)
- 1 Wing Treehouses (can accommodate 4 comfortably, 6 tight in 1 King bed and up to 4 singles)
- 1 New Jet Treehouse (can accommodate 4 comfortably, 6 tight in 1 King bed and up to 4 singles)
- 1 Tower Room (can accommodate 4 comfortably, 6 tight in 1 King bed and up to 4 singles)
- 1 Original Treehouse (Double or Triple, in 1 King or 2 singles, plus one additional single bed in bath house area)
- 3 King EcoCasitas (can accommodate a Quad, all in single beds)
- 3 Queen EcoCasitas (Double, in Queen Bed, with option to add a single bed)
- 3 Deluxe Suite and Private Casita (Triple or Quad, single beds - 1 of those single beds is a trundle bed)
- 2 Studios (Doubles) in single beds

**Any room can serve as a Single or Double. Every room except the Queen EcoCasitas can be set up with a King size bed rather than single beds if preferred.
